

CE marking vs Carel humidifiers spare parts and accessories

Manufacturer: **CAREL Industries S.p.A.**
Via dell'Industria, 11 35020 Brugine (PD) Italy

Boilers and steam distributors for humidifiers

Code	Description
BL* E4* K400*	Boilers / cylinders for immersed electrode humidifiers
SDP* DP0* DP1* DP2* SA*	Steam distributors
UEKY*	Steam output adapter kit
SAKC*	Condensate drain pipes

Carel boilers /cylinders and steam distributors are accessories / spare parts that have to be incorporated in or integrated with humidifiers appliances or installations, they don't fall into the scope of specific EU safety directive, so they don't bear the CE mark and Carel don't provide a CE declaration of conformity.
