

Herewith we declare that CAREL products:

NTCINF0340, NTCINF0610, NTCINF0600

(temperature probes to be used in direct contact with foodstuffs)

are in compliance with the following regulations:

Regulation 1935/2004/EC;

Directive 2002/95/EC (RoHS);

Regulation 1907/2006/EC (REACH);

Regulation 2023/2006/EC (GMP);

and are suitable for use in contact with food and foodstuffs, non oily and fatty.

Also, we declare that following regulations are not applicable to such products:

Directive 2002/72/EC and all its amendments and referred regulations;

Regulation 178/2002/EC;

Directives 95/31/EC, 95/45/EC and 96/77/EC.

Brugine, 25nd November 2010
